RACIAL EQUITY INITIATIVE ADVISORY COMMITTEE

The New Paltz Central School District Board of Education shall create the following committee in accordance with Board Policy #2210, "Committees of the Board": Racial Equity Initiative Advisory Committee. The committee is a Board committee and cannot make legal decisions for the Board of Education.

Rationale

The Board of Education recognizes that institutional racism exists within the New Paltz Central School District and that a failure to address this important issue represents an abdication of our sworn oath and a violation of the District's Guiding Principles.

While the Board is legally empowered to enact policy changes that shape a more equitable environment, the integrity of these changes depends on the affirmative and direct involvement of those with insight into and expertise around inequity. The Board, therefore, shall create a Board Racial Equity Advisory Committee to facilitate that direct involvement.

Charge

In accordance with the Board of Education's purview and legal authority, the Racial Equity Advisory Committee shall ensure the District upholds its commitment to the Anti-Racism Policy.

Priorities

The committee's scope is not limited to these priority items, but should stay faithful to the District's Anti-Racism Policy. The committee is not empowered to recommend changes to the District's existing governance structure, which is defined by law.
