Dear Parents/Guardians of NPBS Students:

Your child has begun the process of online course selection with the school counselors. Currently, your child needs to complete the process. At this time your child has selected less than the 8 credits needed to complete a full schedule for 2019-2020.

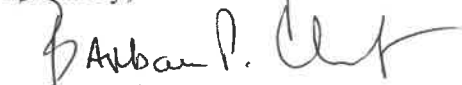

Please have a conversation with your child about the importance of course selection. You may modify your child's selections and monitor their progress by logging on to Parent Portal at <http://ps.newpaltz.k12.ny.us/public>. Students may also complete their schedule in the Student Support Office before the drop/add period.

Please be advised, schedules for students with disabilities will be finalized after their scheduled Annual review meeting.

For an overview of course requirements, please visit "For Parents" on the High School website and select "Guidance Appointments." Your child's school counselor is available if you have questions; you may select a convenient time to meet with them by calling or booking an online appointment at <http://www.newpaltz.k12.ny.us/guidanceappointments>.

Please feel free to contact our office anytime with any questions you may have.

Sincerely,

Barbara Clinton, Principal
