Mapping the Earth

Fantasy Island

Your assignment is to create an island with an outline and feature names that match a creative theme of your choice.

The map must include:

Points

- 0 _____ A name representing the theme
- 1 _____ At least 2 latitude and 2 longitude marks that are properly labeled
- 1 _____ The outline of the island is the 0 elevation contour line
- 1 _____ At least 1 river
River flows in proper direction
- 5 _____ Contour lines representing at least 6 elevations (including 0)
The interval does not change
Lines do not touch except at cliffs
Lines form proper Vs where they intersect a river
All lines have correct elevations labeled
- 1 _____ At least 2 properly labeled depression contours
- 1 _____ Graphic scale and contour interval are correctly shown
- 2 _____ At least 5 of the following named features: towns, parks, railroads, buildings, roads, forest, swamp, hill
- 1 _____ Appropriate colors are used throughout
Brown or black contour lines
Green vegetated areas
Blue bodies of water
- 2 _____ Map is neat
