Lack of local snow may require changes of venues, including a possible shift to The Rocking Horse Ranch in Highland, Minnewaska State Park, or Williams Lake in Rosendale. In addition Lapland Lake in Benson, NY or Prospect Mountain in Bennington, VT may be used for the Sectional Meet. These changes will only take place after consultation with and agreement by the athletic directors from all affected school districts.

The many dates listed for competitions assumes that poor snow conditions will cause races to be cancelled. In the end there will be no more than 8 regular season races.
