Paperless Communications Option

New Paltz Central School District is pleased to offer the following “paperless” communication options to parents:

- 1) Receive your school announcements and newsletters via email only. We email everyone, regardless of whether you are “paper” or “paperless”. The difference is that the “paper” folks receive an additional paper copy in the mail, or sent home in your child’s backpack.
- 2) Receive your annual August packet via the Parent Portal* at <https://npcsd.powerschool.com>.
- 3) View the 5-week and 10-week middle and high school progress reports through the Parent Portal only. The only paper copy of the report card you will receive is the final June report card.

*Parent Portal is web-based, which means you can access the portal from any computer. You will be able to view your child’s attendance using Parent Portal regardless of his/her grade level. If your child is in the middle or high school you will have access to viewing his/her assignments, grades, report cards, and more online. All parents are encouraged to create a Parent Portal account at <https://npcsd.powerschool.com>.

Regardless of whether or not you select this paperless communication option, the elementary report cards will continue to be printed for use and distribution during parent conferences. Some forms that require a signature may continue to go home on paper. Individual teachers and clubs may also continue to send home paper forms, until we fully integrate our paperless system.

If you are interested in signing up for the paperless option, please fill out the form below and return to your child’s school office as soon as possible.

Student’s name _____

School _____

Preferred email address: _____

Yes, I am interested in receiving paperless communications regarding my child and viewing her/his middle and high school progress on Parent Portal.

Signature
