

# Ancient Greek Achievements and Contributions

Name: \_\_\_\_\_

Period: \_\_\_\_\_

## Instructions:

During the next two days you will be learning more about different achievements made by the ancient Greeks and how these achievements affect our lives today. As you move from station to station, you will read about the different contributions and you will complete a series of tasks to help you better understand these major achievements. If you do not finish in class, please access the documents from home via my website. This assignment will help you with an upcoming writing assignment.
