

Community Relations

**SUBJECT: SCHOOL VOLUNTEERS**

Volunteers are persons who are willing to donate their time and energies to assist building principals, teachers, and other school personnel in implementing various phases of school programs. Volunteers will serve in that capacity without compensation or employee benefits except for liability protection under the District's insurance program.

The Board has a school volunteer program to support District instructional programs and extracurricular activities. The purpose of the volunteer program is to:

- a) Assist employees in providing more individualization and enrichment of instruction;
- b) Build an understanding of school programs among interested citizens, thus stimulating widespread involvement in a total educational process;
- c) Strengthen school/community relations through positive participation.

All volunteers must utilize the visitor management system and state the purpose of their visit each and every time they volunteer.
