Dear Parent Volunteers,

We are reaching out for room parents to help with organizing our Halloween Party! Our party will be celebrated on Thursday, October 31st. As of today, we have not been assigned our party time. As soon as we have that information, we will share that information with you. Our party is about an hour long that may begin with a parade around the gymnasium where several classes dress up at one time and parade around the gymnasium.

This is where room parents come in! Following the parade, we will have a party in our classroom. What has worked well in the past is when we have **4-5 stations** that can be completed in 7-8 minutes by a room parent. We can have 1-2 snack stations where the students will enjoy snacks-maybe a snack that each student could decorate or create and then enjoy (depending on the time we are assigned, snacks may have to altered), two arts and crafts stations, a game and maybe another station of your choice. **Please note we have a peanut allergy.**

We are looking for room parents who are willing to share their contact information to get this party organized. In the past, one of the room parents becomes the contact person. Let's make this a memorable event for our class. We cannot tell you how much we truly appreciate all of your help. All parents are welcome to our celebration.

Thanks for everything!

Ms. Favale & Mrs. Hasbrouck
