Reading Practice and Spelling Practice

Read through the columns and then have someone give you some words off the list. Spell the words on paper, a chalkboard, a dry erase board, newspaper, etc. You can also write the words with just your finger on a piece of carpet or even on the shower wall. Say the letters as you write so your brain will hear it, see it and feel it at the same time. Tip: Use two different highlighters to find short i and i-consonant-e. This will help your eye identify the rule and read the word faster.
