

# Math

# October 2018

Sort- Have students put facts into groups as slow as they need to. Sort again going as fast as they can. There is a flashcard template on the webpage under "Extra Math Practice." Scrap paper or index cards work well too.

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
This homework is not required.	Esta tarea no es obligatoria	Extra Practice: Attached are the instructions for Turn Over Ten and Tens Go fish	Examples: Plus Zero: $5+0=$ Plus 1: $8+1=$ Minus Zero: $4-0=$	Minus 1: $10-1=$	Tens facts $1+9=$ $2+8=$ $3+7=$ etc.	1
	1.	2.	3 Play In and Out	4 Play In and Out	5	6
7	8 Indigenous People's Day No school	9 Make plus 1 and plus zero addition cards	10	11 Mix zero cards And plus 1 together. Practice solving	12	13
14	15 Make minus 0 cards.	16 Make minus 1 cards.	17 Mix minus 0 and minus 1 cards together- Practice	18 Mix all sets together. Sort into 4 groups	19	20
21	22 Mix minus 0 and plus 0.	23 Mix plus 1 and minus 1 cards together.	24 Make tens facts flashcards	25 Mix tens, plus 1 and plus zero and sort as fast as you can.	26	27
28	29	30	31 Halloween			

Ordenar- Haga que los estudiantes pongan los hechos en grupos tan lentamente como lo necesitan. Ordenar de nuevo va tan rápido como sea posible. Hay una plantilla de tarjeta flash en la página web bajo "Práctica de Matemáticas Extra". Las tarjetas de papel o índice también funcionan bien.
