ELA: We are learning about nouns, verbs and and we will be discussing adjectives this week. We are reviewing what makes a complete sentence and noting they begin with a capital and end with a punctuation mark. We will review periods, question marks and exclamation points.

We are learning about schema and how readers use their schema to make connections while reading. We also discussed and practiced increasing or adding to our schema. We read about seahorses and pumpkins to demonstrate this idea.

We will be reviewing our short vowel sounds and vowel teams for the next couple of weeks.

Math: We are practicing our tens partners, doubles, counting up, turn around facts and zero strategies. These strategies will help us to add facts efficiently.
