Dear Duzine Families,

We have been busy at school! In **math** we are learning/reviewing strategies to help us add easily. As mathematicians we have learned to use a 100's chart efficiently, as well as working on a daily activity called the Number of the Day. We can not wait for you to see our hard work!

In **ELA** we learned about nouns and reviewed/learned the definition of vowels, consonants and syllables. We will soon discuss proper nouns and verbs. This information will help us when writing complete sentences and help with our spelling of unknown words.

In **Social Studies** we came up with rules that will help us all be safe learn the best we can while at school. We signed this agreement on September 17th~ Constitution Day.

In **Science** we have been anxiously waiting for our butterfly to emerge. We happily set it free on Monday!

In **reading** we practiced choosing just right books from our classroom library. We are beginning a unit on Schema and Connections.

Please have your child return their library book for our upcoming library class on Thursday, September 26th.

*Just a reminder that **we are a peanut free classroom!** Please keep this in mind when packing a snack for your child. Peanut products may be eaten in the cafeteria.

Thank you so much for your cooperation! OVER PLEASE
