Jennifer Mojica
Coordinator of Student Support Services

Dear Families,

As we have in the past, in order to insure that all of our students are adequately supervised on field trips and to comply with New York State requirements, we are required to have at least one approved chaperone on each trip. The responsibilities of these chaperones would include supervising and accompanying the students back to school should an illness or accident necessitate the classroom teacher having to accompany a student being transported by ambulance to a medical facility.

If you would like to be considered to have your name submitted as one of these “approved” chaperones, please complete the form below and return it to the Duzine office as soon as possible.

Thank you.

Sincerely,

Ross Hogan
