

Class Ranking Procedure

The grade point average (GPA) is determined by adding the grades received in each course and dividing by the number of units attempted. The GPAs are listed in numerical order from highest to lowest. The rank in class is reported numerically, with one being the highest. Letter grades are not converted so are not used in determining rank.

Weighted grades are used to determine overall GPA for college-level and Advanced Placement courses. Full-year courses are weighted 1.06, and half-year courses are weighted 0.53. Individual class grades do not reflect a weighted average.

PROFILE 2022~2023 NEW PALTZ HIGH SCHOOL

Caring, Connecting & Making a Difference!

Mission

The New Paltz Central School District exists for the children of the community. The focus of its programs and activities is the commitment to measured excellence and continuous growth and development for all.

Vision

Our school community – students, staff, families, and community members – are citizens of the world, passionate about learning, and empowered to achieve their dreams.

District Goals

- Focus on learning and success for all.
- Create a cohesive and inclusive culture pre-K-12, across buildings and departments.
- Empower and create success.

The School

New Paltz High School serves 671 students in Grades 9-12. Our current senior class has an enrollment of 163 seniors. There are 75 full- and part-time members on the professional staff. The faculty is actively involved in the development and refinement of the instructional programs. A commitment to quality instruction and learning is supported by our mission to become a community of learners, with an emphasis on mutual respect and responsibility where all students realize their potential. Our school community—students, staff, families, and community members—are citizens of the world, passionate about learning and empowered to achieve their dreams. We believe that education is a partnership between the school and the community, and that this partnership is dependent upon continued dialogue and communication.

The District

The New Paltz Central School District offers a wealth of programs and activities to prepare students for a global society while nurturing their social, emotional, and artistic, as well as academic, needs and interests. New Paltz is rich in economic diversity, with apple orchards and high technology existing side by side. Located midway between Albany and New York City, the District has easy access to a variety of cultural, arts, and outdoor activities. New Paltz is often referred to as a “college town” because the State University of New York at New Paltz—with internationally known scholars and artists on faculty—is located in our historic village.

Graduation Requirements

REGENTS DIPLOMA REQUIRED COURSES

English	4
Social Studies	4
Mathematics	3
Science	3
Language other than English (LOTE)	1
Art/Music	1
Health	.5
Physical Education	2
Electives	3.5
TOTAL	22

To become a graduate of a New York State public high school, a minimum of 22 units of credit is required, including four units of English, four units of social studies, three units of science, three units of mathematics, one-half unit of health, one unit of art or music, one unit of language other than English (LOTE), and two units of physical education along with the New York State Regents Exams or their equivalent. The Regents Diploma with Advanced Designation requires all of the above, plus two additional years of a language other than English (LOTE) with an additional Regents exam in math, a language other than English (LOTE), and science.

In March 2020 New York schools pivoted to remote instruction and in-person learning due to the uncertainty brought on by COVID-19. NPCSD and the Board of Education determined that Quarter 4 of 2021 would be assessed on a pass/fail basis. Because NYS Regents Exams were waived in June 2020 and January/June 2021, students received an exemption (E) towards exams for a passing grade in a course culminating in a Regents Exam. The 2020-21 PSAT was cancelled at NPBS and surrounding schools. All Regents Exams for January 2022 and the US History and Government Regents Exam in June 2022 were cancelled, therefore, certain students received an exemption (E) to meet their diploma requirements. Students taking Regents Exams during the June 2022-August 2023 test administration period and who score between 50-64 may be eligible for a Special Appeal (SA).

Course Offerings

The High School offers 35 college-level courses (*shown in italics*) to give students a head start on their post-secondary education. Students can choose from 20 Advanced Placement (AP) classes, four world language classes, a SUNY science research project, and a pre-engineering curriculum through Project Lead the Way. In addition, the High School provides a full range of sports and co-curricular activities, as well as a television studio.
