Futures Review Recommendation from 2013-2014

Goals:

- Specifying Continuum of Services
- Developing Student Learning Profiles

Continuum of Services

Information Gathering

- 2014- present: Collected and reviewed student data
- 2015 – present: Meetings with teachers
- 2016- present: Parent Outreach & Communication
- November 29, 2016 Parent Planning Night (8th & 9th grade parents)

Recommendations

- Focus on individual students – progress monitoring of goals
- Expanding our continuum of services
- Renewed commitment to Least Restrictive Environment

Consultant Teacher Direct/ Indirect

- Direct CT services mean specially designed instruction provided to students with disabilities by a certified special education teacher to aid the student(s) to benefit from the general education class instruction. Direct CT can be combined with indirect CT services.
- Indirect CT services mean consultation provided by a certified special education teacher to a general education teacher to assist the general education teacher in adjusting the learning environment and/or modifying his/her instructional methods to meet the individual needs of a student with a disability who attends the general education class. Indirect CT can be combined with direct CT services.
