Dear Parents/Guardians:

We feel that it is a good time to review our procedures in regards to children who are sick at school.

If your child gets sick, it is often most appropriate to keep him/her home from school. A child who is sick will not be able to perform well in school and is likely to spread the illness to other children and staff. Please make arrangements for childcare ahead of time so you will not be caught without a place for your child to stay if he/she is ill.

Our school policy states that you should not send your child to school if he/she has:

1. Fever in the past 24 hours
2. Vomiting in the past 24 hours
3. Diarrhea in the past 24 hours
4. Chills
5. Sore throat
6. Strep Throat (must have been taking an antibiotic for at least 24 hours before returning to school).
7. Bad cold, with a very runny nose or bad cough, especially if it has kept the child awake at night.

If your child becomes ill at school and I feel as though he or she is too sick to benefit from school or is contagious to other children, you will be called to pick him/her up from school. If your daytime or emergency phone number change during the year, please notify your child's teacher immediately.

These guidelines are meant to serve the best interests of all the children in our school. If you have questions or concerns please do not hesitate to call me.

Kind regards,

Erin M Bush, RN
