Happy Friday NPHS Families,

Happy Women's History Month. We honor all of the women in our lives and their contributions to making us better humans.

Today marks the 5th week of the 3rd marking period. It is a wonderful time to check in with your student(s) to discuss their progress and determine if there are any academic needs for support. Our After School Academy has started and serves students who are in danger of failing classes. Teachers of various subjects are available in the library from 2:45 pm to 3:45 pm, Monday through Thursday each week. If you would like further information please contact a school counselor. Students are encouraged to attend.

Late bus pick up at the High School is now at 3:50 pm. This will not change student drop off times.

Keep on shining,
Samuelle

The Boys indoor track team set THREE new records at the state qualifying meet Saturday and TWO individuals qualified for the state meet next week. Aidan Ifkovits won the weight throw with a throw of 58 feet 11 inches. Finn Gibson ran the 300 meter dash in 36.28 seconds-a new school record and meeting the New York state meet standard. Both will be competing in New York city on Saturday against the best in the state.

In addition, Max Hawkins and Elijah Flynn BOTH broke the former one mile run record. The new record of 4 minutes 38 seconds is held by Max. And the 4 by 800 meter relay team of Chace Snyder, Landon Fracasse, Elijah Flynn and Finn Gibson SHATTERED the old school record by about 20 seconds and just missing making the state meet by one place. Their new record is 8 minutes 31 seconds. Great Job guys. -Ms. Siem

Good luck to Claire Coiteux who is competing in the Varsity Gymnastics State Championship this weekend in Buffalo.
