A Message from Principal Simms

Important Dates

Around NPHS

Happy Friday New Paltz High School Families,

We had a fabulous week celebrating our School Spirit. From the themed Spirit Days, Food, Pep Rally, Homecoming Game to the Dance tonight, it has been a thrill. We would like to take this opportunity to thank everyone that has made this possible. Thank you to our Student Government, Ms. Costello (Student Government Advisor), Class Advisors, Club Advisors, Student Club Leaders, our Faculty and Staff, District Staff, NPHS Athletic Association, and our Parents and Families.

GO NEW PALTZ!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!

Dr. Samuelle Simms

CROCKTOBER

Around NPHS

Faculty and Staff crocked it out this past Wednesday. They shared their favorite Crockpot dish. Everything was delicious and we had a great time eating together.

HOMECOMING PEP RALLY

Today, Classes were in their Class Gear. Freshmen Were dressed in pink to honor breast cancer awareness month!

PIGLETS

Our PIGLETS students collaborated with the Lenape School community to plan, organize, and implement the annual Pumpkin Festival! - Mr. Dolan

MORE FUN HOMECOMING FUN

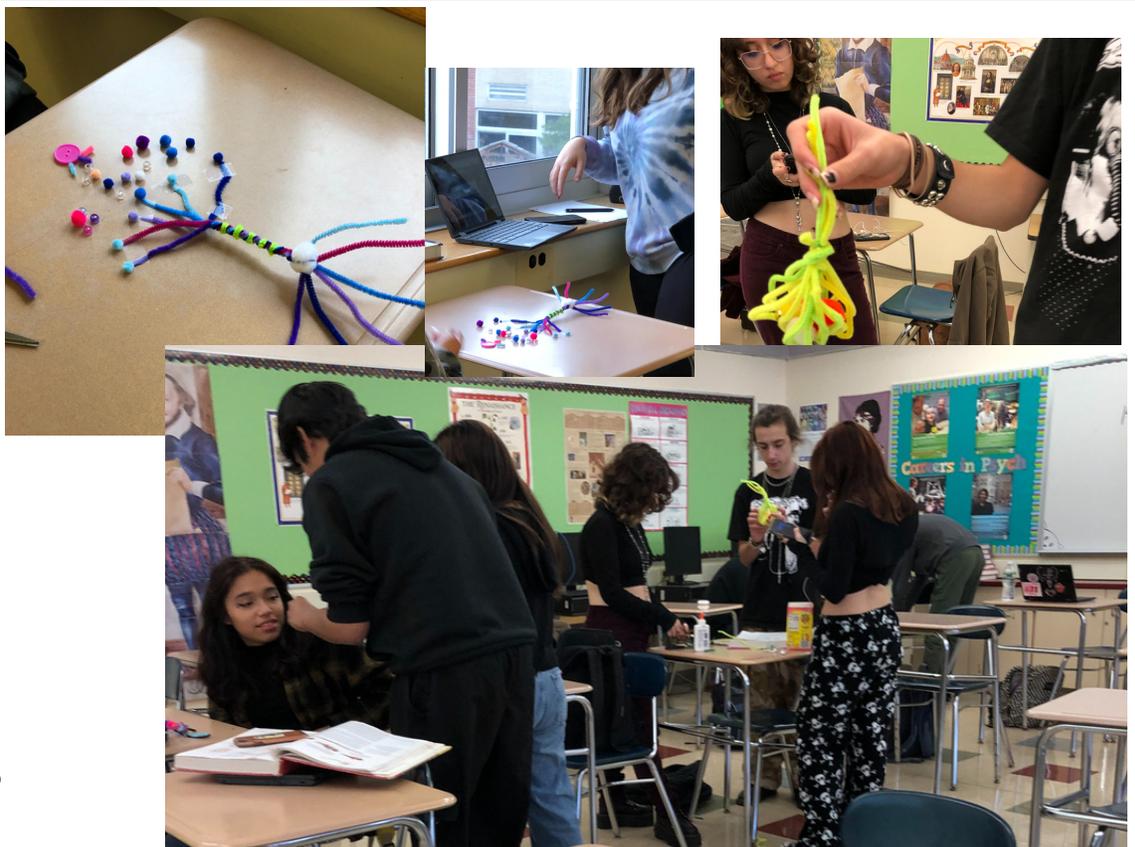

PROJECT LEAD THE WAY

Ms. Mallory's Engineering Design and Development class went to SUNY New Paltz to tour the Innovation Hub. They saw the materials lab and 3D printing lab filled with many 3D printers. They also got the chance to hear 5 different groups explain their senior engineering design project. Engineering Design and Development is the capstone class for PLTW. This class will be working on a similar project for the remainder of the year. The students define a problem and then develop a solution and prototype showing proof of concept.

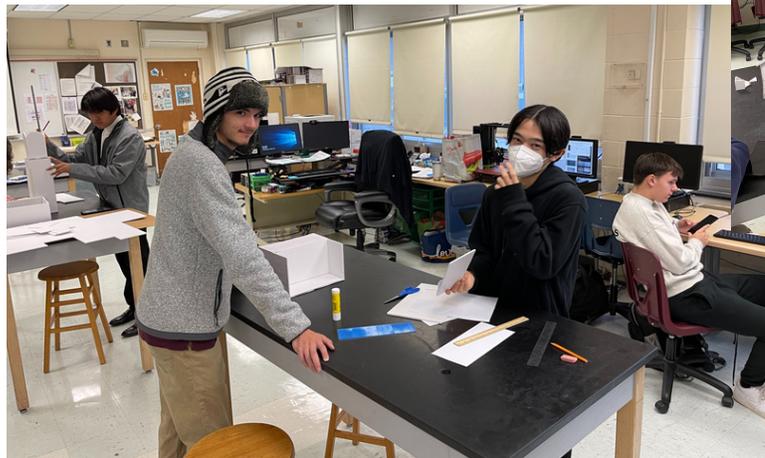

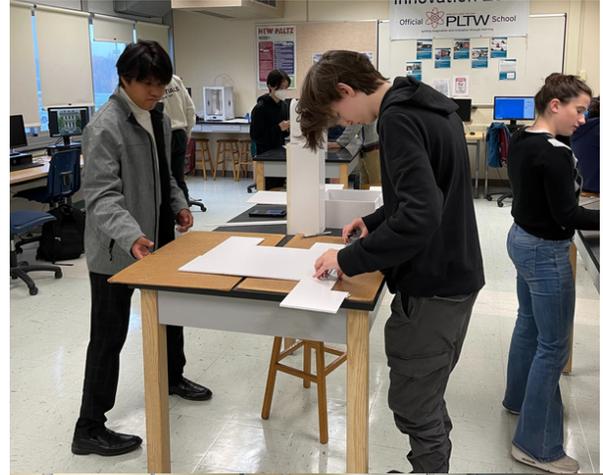

AP PSYCHOLOGY

Students in Psych this week learned the structure of brain cells by building models and demonstrating in videos how neurons communicate with one another and how neurotransmitters and drugs affect the brain. They did great! - Ms. Costello

CIVIL ENGINEERING AND ARCHITECTURE

Ms. Mallory's Civil Engineering and Architecture class is working on a 3D model of an architectural style, showing distinguishing features of that particular style. Look for the final product featured in the front case sometime soon.

ATHLETICS

Varsity Girls Swim won the OCIAA Division I Championship on Friday, October 21st. They will be competing in the Section IX prelims on Thursday, November 3rd and the Section IX Championship on Saturday November 5th at Valley Central High School.

CONGRATULATIONS

Congratulations to the boy's cross country team for coming in 3rd place at the MHAL championship! It was a gutsy race and I'm very proud of how they did!- Mr. Foti
