Happy Friday New Paltz High School Families,

There is just one more week until the end of the first marking period. Students should check with their teachers to see what they need to do to finish strong. Teachers are available right after school for help. We encourage students to take full advantage of these opportunities.

These are the five steps students can take to improve their grades before the end of the quarter.

Step 1: Check your current grades and make up missed assignments.

Step 2: Work with a teacher after school or a peer tutor (NHS).

Step 3: Address any low scores on tests & quizzes.

Step 4: Ask teachers for any extra credit opportunities.

Step 5: Maximize any remaining grades.

Strong finish,

Dr. Samuelle Simms

ENGLISH 101

Mr. Neden's English 101 classes are engaged in writing research papers about The Identity of America. Recently, students interviewed Mr. Castro and Ms. Kurzban, two of our wonderful teachers who were not born in America. Thank you to Ms. Kurzban and Mr. Castro for finding time to engage in an important dialogue.
