Happy Friday New Paltz High School Families!

October is finally here. Bring on the pumpkin spice lattes. As the days and weeks go by, it is important for us to find our center. As caregivers and educators we are constantly putting the needs of others before our own. To nurture and grow our youth to be socially emotionally minded we must embrace SEL practices ourselves. This month, let us be intentional and focus on GRATITUDE. Think of something you are grateful for. It could be anything, large or small. Consider how it makes you feel. Take a few moments to sit with that feeling before moving on to the rest of your day. I am grateful for our student's academic tenacity.
