Happy Friday New Paltz High School Families!

This week was full of self-expression and excitement as students, faculty, and staff took part in Spirit Week activities. We were all reminded of the appreciation we have for our school community. The Pep Rally was an affirmation of solidarity, strength and a renewed commitment by all to be the best version of ourselves each day. We are not perfect, but we strive for excellence in our school and world. The momentum will carry us through.
