Happy Friday New Paltz High School Families!

Happy Veteran's Day. With gratitude we salute and honor all of our Military members both past and present for their patriotism and selflessness. We are able to enjoy the comforts of our freedom because of them.

As we approach the final week of the first quarter we acknowledge the resiliency of our students as they have been able to get back to attending school five days a week. This is a time to reflect on the beginning of the school year and engage in conversation with your teen about what adjustments if any need to be made to ensure a successful rest of the school year.

As a school team we are reviewing these past few months and are working on Wellness Expectations to refine our school-wide practices and procedures.

Reflect, Refocus, Keep on,
Samuelle

Around NPHS

Congratulations to Alexa Friedman (Junior) who was selected to sit on the Village of New Paltz Environmental Policy Board.

- **Parent Teacher Conferences**

We are looking forward to hosting our Virtual Parent Teacher Conferences this fall which will take place, Tuesday, November 30 from 6:00-8:00 pm. All conferences will be held virtually using Google Meet. To schedule an appointment, visit the high school website under For Parents and click Parent/Teacher Conferences in the drop down menu. Booking will close November 23 at noon.

Please note that you must include an email address when booking your appointment. You will receive a confirmation email containing your appointment schedule immediately after booking. You will receive separate emails from each teacher that you are scheduled to meet with containing their Meet link. Please watch for these emails to arrive sometime after November 23, 2021.

If you are unable to connect virtually to the Parent Teacher Conferences there will be a room available in the High School for you to utilize. Come to the main office the evening of November 30. If you would like interpreter services, please contact the High School main office.

As always, please call the main office at 845-256-4100 with any questions.

The AP US Government and Politics students and the PIGLETs students took a trip on Wednesday, Nov 10, to Philadelphia. Students explored Independence Hall (where the declaration of independence and constitution were written). This also included learning some specifics about New York's role in the independence debate and the constitutional discussions. They then went to the Constitution Center where they spent a few hours learning about specific features of the Constitution, its interpretation at different periods in American history, and its impact on issues today.
