Happy Friday NPHS Families,

Welcome Back!!!

I would like to take this opportunity to acknowledge a teacher who has made a lasting impact on the New Paltz school community and the community at large. Stephannie Costello has been a teacher at the High School for the last 34 years. She is known to many as a friend, a mentor, and a dancer. Her personality shines through her smile as she is a beacon of light.

Congratulations Ms. Costello on your retirement!
