Happy Friday NPHS Families,

Please be reminded that in order to receive a high school diploma, the New York State Education Department requires that students pass multiple Regents examinations. Your student may not be eligible for graduation until he/she satisfies all Regents examinations requirements.

If the course ends with a Regents Exam, attendance is, therefore, expected. Students, parents, or guardians who have questions regarding state mandated testing requirements should contact their student's school counselor. Please note that these exams will not be considered in calculating students' final course grades.

For additional information on Special Appeals please see the New York State Education guidance at: <https://www.nysed.gov/curriculum-instruction/appeals-safety-nets-and-superintendent-determination>

Best,
Samuelle

JUNIORS

Attention Juniors. If you are attending the prom on Friday, April 28, you must be in school until the end of second block.

You may sign out after second block only if you have a note from your parent or guardian to do so. There will be a checkout table near the front of the school so do not just take off!

If you are not properly checked out or not in school for at least half of the day you will not be able to attend the prom.
