Around the Middle School

PRINCIPALS MESSAGE:

Hello Families:

Welcome to the school year 2023-2024. It has been an exciting beginning. Thank you all for coming out to our Open House to hear all about the learning in store for your child. We celebrated, "Start with Hello" week and we saw a lot of school spirit demonstrated.

Please be sure to fill out all the important information that was sent to you electronically in the last week of August. If you need assistance, please let us know by calling the school (845) 256-4200. We can get you what you need.

Wanted to give a special shout out to our Climate Club and all the work they have been doing around the school. Thank you for your assistance with this project as well. We are excited to bring pollinator spaces to the Middle School grounds.

CALENDAR:

September 29- 6:30-8:45 Free Outdoor Movie Night sponsored by the NPMS PTA.

Climate Club Project

The Climate Club has been busy this Fall. They have planted a pollinator garden by the sixth grade entrance, weeded and planted many plants in the front entrance area too. This is an exciting project that will beautify the grounds around the Middle School as well as provide important plants for pollinators. There have been a great amount of staff and students who have participated in planting and weeding. Thank you all!

Your paragraph text

From the PTA

From Food Service

Did you know that you can apply for free and reduced price meals anytime during the school year? Applications can be found on the Food Service section of the New Paltz district website.

NOW HIRING part time positions and substitute positions available
Work while your children are in school

Around the MS
